

An abstract painting by Victoria Stoian, featuring a vibrant and complex composition. The central focus is a large, bright yellow area on the left side, which appears to be a landscape or a large object. To its right, a large, textured purple area dominates the middle. The top right corner is filled with dark, swirling patterns in shades of brown, black, and green. The bottom right corner shows a mix of light and dark tones, including a prominent white and light blue area. The overall style is expressive and textured, with visible brushstrokes and a rich color palette.
